Fast, space-saving open deck boat is one of our guests' favourites. Whether you want to enjoy the beauty of the sea, take a break from the hustle and bustle of the city or go fishing - Key Largo 27 is your perfect choice. While the boat is not very large, the space is very well organised to ensure a comfortable stay onboard for all passengers.

One of the great benefits of this boat is its design and layout. It is very safe: the hull protects guests from splashing water from the waves and the large canopy- from the hot sun. As such, it is well-suited to cruise through any weather, even in the windiest of conditions.

The boat is styled in a minimalist fashion with traditional yachting elements: light-coloured leather, soft and comfortable furniture, and rounded shapes. It is practical, but at the same time, tasteful and elegant.

# HISTORY OF LUXURY SEA BOATS

---

Luxury Sea Boats Charter is a division of Luxury Sea Boats – one of the leading premium motor yacht dealers in the Middle East.

Luxury Sea Boats has certainly come a long way. Since opening our office in December 2008, it has been smooth, successful and stable sailing for the company. We first started working with two brands, Nidelv and Campion. After only 8 months, we became dealers for Sessa Marine, one of the best and well-known Italian yacht brands.

Since then, things have been going great and the future looks bright. In August 2010, Luxury Sea Boats opened its own exclusive showroom on Sheikh Zayed Road. And we didn't stop there. We gained exclusive dealerships for 3 more brands: Gastron, Bavaria and, of course, Sanlorenzo, the most prestigious and upscale yacht brand in the Luxury Sea Boats fleet.

Since 2017, we have additionally gained exclusive dealerships for the Nautique, Centurion and Supreme brands.

# REPAIR AND MAINTENANCE SERVICES

---

At Luxury Sea Boats, first-class customer service is our primary commitment!

Our dedicated service department recruits only the finest experts in the industry to provide your boat with any repair, service or maintenance it may need. We can provide you with authorized warranty repairs, mobile dock service, and custom equipment installations. Our team includes riggers, technicians and many skilled specialists, who work in electronics, parts and warranty departments. The service department at Luxury Sea Boats is committed to making your yacht ownership experience the best it can be!

We specialise in the repair and maintenance of all yachts, boats and other water equipment for sport and outdoor activities. Our cutting-edge equipment and highly experienced team of certified engineers and ship mechanics allow us to provide the highest level of quality services as quickly as possible, seven days a week.
