DESTINATION

Waldorf Astoria Ras Al Khaimah offers a unique setting for weddings through its spectacular surroundings, palatial elegance and bespoke Arabian hospitality. These attributes make it the perfect choice for planning relaxed beach weddings, luxurious marriage celebrations, once-in-a-lifetime ceremonies or intimate vow renewals.

PROPOSED VENUES

WELCOME LUNCH

Oasr Al Bahar and Lexington Terrace.

Dine on an extensive range of favorite global and local dishes served at Qasr Al Bahar. Enjoy first-class ingredients in dishes cooked in open kitchens, featuring Arabic classics, Indian tandoori, European- Mediterranean and Asian cuisine.

Start your wedding in our Grand Peacock Alley. A venue like no other, with the marble fountain in the middle and showing the best of the Arabian Culture.

MEHENDI FUNCTION

We know that this is an important part of the wedding ritual. In previous experience, we have found that our Cabana Area lends itself well to this function, as it is close enough to the Function Lawn where the main lunch and high tea happen, but also offers a secluded area for the Henna ladies to work their magic.

SANGEET

The Sangeet ceremony is filled with music and dance and we offer several venues which are ideal for exactly that. Our Beach area by the Adult Pool is an ideal location for the Sangeet or the Al Hamra Golf Club has an extensive driving range which is an ideal location for a themed formal banquet event, which is closed by the hotel.

BARAAT PROCESSION

We suggest for your Baraat to be successful to start from the hotel main entrance or from the hotel own VIP Tunnel and move towards the Ceremony venue. Unfortunately road closures are subject to request submitted to Al Hamra Real Estate Development. The Hotel is happy to facilitate the introduction.

BLESSING CEREMONY

We have several venues which would be ideal for the ceremony. In the past we have hosted the ceremony and high tea at Adult Pool Lounge, as well as on the beach in front of the Pool. This is an ideal venue for both the ceremony and the high tea to follow.

WEDDING RECEPTION

This dinner represents your first introduction to friends and family as a newly married couple. This auspicious event is the crowning jewel on the Wedding Ceremony which has lasted for the past few days.
